#### GUIDELINES FOR A HARMONIOUS STAY:

To ensure a pleasant experience for all our guests, we kindly ask you to follow these guidelines:

- Your pet must be well-behaved and kept on a leash or in a carrier at all times in permitted hotel areas.
- Out of respect for other guests (allergies, sensitivities), pets are not allowed in common areas of the hotel.
- Walks must be taken outside of the hotel grounds and in accordance with local regulations. Please note that not all beaches allow dogs, and leashes are always required.

- Pets must never be left unattended in the suite. If you must leave temporarily, your dog must remain in its carrier, and Reception must be informed. Otherwise, housekeeping service will not be provided.
- For hygiene reasons, pets are not allowed on beds, sofas, or armchairs. If your dog is used to doing so, we kindly ask that you cover the furniture with your own blankets.
- Please do not use hotel towels to clean your pet's paws after a walk.
- Owners are fully responsible for any damage or inconvenience caused by their pet. Guests agree to release and indemnify Hotel Teranka from any claims or damages related to their pet's stay.
- Additional charges may apply for any damage, excessive mess, or hygiene issues caused by the pet.
- In case of non-compliance with these guidelines, we regret to inform you that you will be asked to leave the hotel together with your pet.
